Dear Folks:

Here is the draft of your family entry as I promised. You are, as I guessed, the eleventh generation.

Enclosed is an order blank for the genealogy we published in 1978. Your grandfather, Philip C. Merwin, is shown on page 620 and you can trace your line back from there to Miles ①. (Please don't feel I am selling books).

Your grandfather had three brothers – Todd, Gene, and George. Do you know any descendants of these people? He also had a brother Jesse whose line I know. Any help you could give me would be appreciated.

Looking forward to your story and picture of the volcano.

Best regards,
Merwyn

Dear John Wallace Merwin:

Since I am the genealogist for the Miles Merwin Association, your message was forwarded to me for reply by Dr. John David Merwin II who has set up the home page.

You and he are not in the same line of descent. You are descended from Daniel 2 and he is descended from John 2.

Incidentally, you are related to one Lt. Col. Henry Czar Merwin who was killed in the Battle of Gettysburg. We are going to include an account of his exploits in one of our newsletters (Milestones).

Yes I am aware of the fact that you descend from Daniel Boone. You are listed in Volume II of the Merwin Family in North America as No. 6107 descendant from Miles 1. We have your home address as R.S.R. 3310, Post OR 97752. Has this changed?
Let me know and I will send you a form to update your family entry and furnish an application for membership in our Association. I am attaching one of our brochures for your convenience.

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review theenclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Dear Cousin:

Perhaps you know we are in the process of writing Volume III of The Merwin Family in North America.

Your father gave me your address. Please give me a brief biography of yourself as suggested below.

Since you were born a Merwin, you and yours will be in the book without question; however, this is a massive and expensive project and we believe you would enjoy membership in our Association. We would be pleased if you would join us. A dues form is enclosed for your convenience.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review theenclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Best regards,

Dear Cousin:

Thank you for your letter of March 14, 1985 and the information about your mother's passing. Sorry to hear about that.

You have not heard from me because you have dropped your membership in our Association. We send the newsletter *Milestones* only to members. Your mother's obituary will be in the next issue. Unless you join up again, it won't be sent to you. Why don't you send me a check payable to Miles Merwin Assn. for $10.00 and I will put back on the list. Then you can keep up with what we are doing.

I believe there are some of Volume II of *The Merwin Family in North America* left. Send me a check for $30.00 payable to the Miles Merwin Assn. and I will send it in for you. The $22.00 price you mentioned was the price charged before the book was published.

Dear Cousin,

I have not hear from you lately. Hope all is well with you.

I don't know if you have heard of my mother's passing. She passed away Dec 20, 1983. Francis had been sick for almost one whole year. Her health went down fast.

My husband & I went back to Indian Lake last May for the memorial services. My Grandfather passed away Dec 18, 1983. The services were held May 19th. That was a very hard day for all of us.

Going thru my mother's things wasn't easy. I expected to find her copy of Volume II of the Merwin Family in North America. Apparently she had sent her copy back to the Association.

Would it be to late to get a copy of Volume II? are there any copies left? Would the price still be $22.50?

Please let me know if there are any copies left & what the cost is.

Hope to hear from you soon.

Dear Cousin:

Your efforts to complete your family entry are certainly appreciated and commendable. Enclosed is a rewrite for your review.

Please understand that I must follow a set form on each entry, use certain abbreviations and do certain things which will assure uniformity. Incidentally, please give me your mother's current address and any needed correction in the entry.

One rule I must follow is that persons *not* born Merwins (like you and me) must be members of our association to have their families (spouses + children) shown in the Supplement. I am not selling space. We just think persons should be interested enough in the assn. to be in "the book." If you and your brothers are interested, each of you should send me a check payable to Miles Merwin Assn. for $5.00 annual dues. Also you will get our newsletter *Milestones* to keep you inform of the progress on the Supplement.

Best regards,

Merwyn

My mother has been known to disregard these Merwin letters, so I felt it was important to get our family history recorded. I guess it was to much of a problem to get all the information together. I enjoyed doing it, now I have all the information for my own knowledge about my family.

If you have any more questions, let me know and I will try to answer them.

Sincerely yours,

Susan

Dear Cousin Merwyn,

Hi! This is Frances dau, Susan. I took it upon myself to get as much correct information as I could. I talked with both my brother's William & David, so their part is correct.

The information about our father is as close as I can get it.

I had to retype everything as the information on your letter was all wrong.

When is the new supplement of the Merwin Family in North America going to be printed & ready for sale? Would you let me know so my brothers & I could get one?

My address is as follows:

Dear Ruth:

Your very interesting letter of 15 January was much appreciated.

I did not think of calling you because you do not live in the vicinity of Blue Mountain Lake. It would have been great to have had you give us a guided tour.

We stayed at Hemlock Hall in Blue mountain Lake. It was a fine country inn. Reminded me of places I have stayed years ago in the Pocono Mountains of Pennsylvania. All the guests were sociable and many have been visiting that inn for years. The vast majority were senior citizens. They had great food served family style. Enjoyable, but quite expensive. I am sure you know where the place is. It is just down the road from the museum you mentioned. The hosts apparently had the place for just a few years.

In the spring, when you take a picture of the memorial, please send me a picture of your grandfather's hotel. (Not an original). And give me all the history you have about the place. Notable people who stayed there, and any other facts you can in addition to what you have said in your letter to me. I shall put an article in *Milestones* about it. I'm sure it will be of interest to the members.

I see Destin is in the panhandle of Florida. That is an area I have never seen. We have friends in Florida, but not in that area. You and Bill are certainly ambitious to buy and renovate a place in Florida. Hope you enjoy it. I appreciate your invitation, but I doubt that we would be able to take you up on visiting you. Betty has health problems which keep us from extensive travel. We should visit her cousin in "the other Florida", but I do not think we will get there either.

Happy to hear your kids are doing well despite the recession. My daughter, Lorraine, picked this time to start her own business. She is doing surprisingly well. Gets projects from lawyers who are handling workmens compensation cases, personal injury cases and malpractice suits. She goes with the client to physical exams and reports the doctor's findings. She is a nurse with a masters degree; so, she is well qualified for the work. She is now in the Carolinas on an assignment.

There are many Merwins in Florida. Roger Merwin, in Panama City is the closest to you. He and his wife are nice people.

Best regards,

Dear Merwyn —

I was so pleased to get your letter regards your visit to Blue Mt Lake, but I wish you had given me a call. I would have been happy to meet you there and give you a "guided tour". To answer a couple of your questions about the place:

The hotel that my Grandfather built and operated from 1876 to 1937 is no longer there. The place was purchased in the late 40's by the Adirondack Museum Inc. and they tore some of the buildings down, including the main hotel, and built a museum on the site. (That was where I grew up — actually we moved to Indian Lake when I was ten years old.) This is located up on the hill overlooking the lake going toward Long Lake on Route 28. Several of the buildings built by Grandfather

are still there and have been incorporated into the museum complex. The original log house which they lived in when the first hotel burned in Feb 1876, is still there and essentialy unchanged. (~~They~~ my grandparents reopened in late June of '76 in a 3 story frame building accomodating 100 guests; with lobbies, kitchens lounges etc. — All built with lumber from grandfather's sawmill and local labor — and of course no electricity. Most of the houses in Blue Mt were built with lumber from that mill, and most of the ones on "the hill" were built by brothers or cousins, or "shirt-tail relations."

The cemetery is on the back road and has several families of Merwins buried there. We have a son + daughter buried there.

The memorial you spoke of is a small ~~pla~~ about 2'x3' rock with a bronze placque as I remember it. It's hard to judge size by a childhood memory. The house we lived in shrank considerably

over the years. Any way, as far as I know ~~its~~ the rock is still there in front of the Methodist Church in the village. (I haven't thought to notice if it is still there or not but will do so in the spring.) There were 8 or 9 names on it and my father always recounted the story of a visitor commenting, as he observed it, that "Those Merwin's must have been a war-like tribe!" I'll send you a list this spring. I think I recall miles Herbert, (he was my father's brother and a career officer) Russell Lee (my father) and Theodore Edwin (another brother) along with Earl (father's cousin) Benjamin (ditto) and George (ditto) children of Ben. I'm not really sure of any of these, of course.

Where did you stay in Blue Mt Lake? I'm glad that you visited the area and can see the difficulty of trying to stage an organized reunion there! It's just too isolated. It might be feasible

in mid-summer.

Bill and I bought a place here in DESTIN, in Northwest Florida, last spring. We came down 2 weeks ago and are busy fixing the place up. It's a town-house and in one of the older complexes on the gulf and needs quite a bit of cosmetic work. This is fine with me as it keeps Bill occupied and gives me something to supervise. Supervision runs in the Merwin genes, although some people call it being bossy. The way I see it somebody has to do it and it might better be me.

So far all of our children are weathering the recession in pretty good shape. They all have good jobs but if the companies cut back that could all change overnight. They all have pretty high mortgage payments and health insurance keeps them broke,

if they have it. A couple of them are on very very thin ice — just about one or two paychecks from disaster, but we all help one another and hope for the best. Bill and I have been fortunate that his company had such great benefits. We still have full health + prescription coverage which is exceptional now-a-days. This place is on the rental program and has been rented pretty much of the time since we bought it. It doesn't pay for itself entirely of course.

I think I've rambled on enough but thinking about the old days in Blue Mt Lake started me off. It's sad to think nobody remembers much of it anymore. Now if you get to this area give us a call. It's beautiful here and winter is the off season for this area so it's less crowded and less expensive than "the other Florida"

I'm sure you'd enjoy it.

Thanks again for your interest.

Our best regards —

Ruth

Dear Cousin Ruth:

Last September, my wife, Betty, and I traveled to upper New York State and on our way home stayed overnight in Blue Mountain Lake.

I had heard much about that place and was curious about it. Do you know whether the Blue Mountain Lodge which was operated by Merwins still exists? The people I talked to had no knowledge of it.

I had read in *Milestones* that in the town there was a war memorial to veterans and that a number of Merwins were listed on it. Again, no one I talked to knew of it. Do you know where it is? If so, could you ask someone to take a picture of it for me. Also, write down all the Merwin names listed on it? I would like the picture and listing to put in a future issue of *Milestones.*

I realized that your mother was in a nearby town when we were in Blue Mountain Lake and I would have liked to have visited her. However, we were running out of both time and money so we passed on toward home.

Hope you and yours had a great holiday season. MY best for 1992.

9 Nov 90

Dear Merwyn-

Received your letter about a month ago and have given the matter considerable thought. It would be nice to have a reunion in this area but I simply do not have the time to give to the project this year. My Aunt & my mother have both been hospitlized recently — my Aunt is still in — and this involves a 30 mile trip - each way - every day & lengthy stays at the hospital. Now that my mother is home that is 40 miles twice a week in the other direction. I can't be sure what the spring will bring so I don't want to commit myself.

If it ever does come about to have the affair near here the only place big enough to have accomodations etc for a group of that size would be Lake George, about 20 miles south of

here. Blue Mt Lake would have only one lodging place — possibly two — open at that time, I think. I will look into it as a matter of interest for the future. It is the most beautiful lake in the East — my opinion anyway. You should visit it on your own. — Late July is best after the "black-fly season." — They are still a scourge from late May through June. I have a cousin, Roger Merwin Wells, living in Lake George. I will contact him + show him your letter. (if he is a member) He might be interested + I think he has the time.

In haste —
with best regards
Ruth

Dear Cousin Ruth:

The Board of Directors generally feel that although Milford is an excellent place to hold our annual meeting because of the sites there which are associated with Miles [1], it might be well to hold the reunions in other places from time to time.

I was wondering whether you and your family would be interested in holding the reunion in your area this coming year. You live in a beautiful area and there are a large number of Merwin members located in New York State and the adjacent area. Perhaps you could hold it at Blue Mountain Lake. I have often wished to see that area.

I believe you know what is involved. We need lodgings arrangements and Friday night meal for those who come on Friday, luncheon on Saturday and, if possible, visits to points of interest in the area. The Saturday luncheon could be a picnic in a local picnic area if you wish. You would bear no expense. We will advertise the event in Milestones; persons would send in reservations and pay you for meals in advance.

I guess you think I have some nerve asking you to "volunteer", but I do not know how else we can get the reunions moved around to attract more people. You have such a great large family. If all your family came, the reunion would be well on its way to a successful turnout.

If you are interested, please write Charles Merwin (address above) and volunteer. Don't tell him it is my suggestion. At the meeting of the Board of Directors in New York in December, we always fix the date and place of the reunion for the coming year. Usually set it for the weekend of the second or third week in June.

My best to you and yours,

Merwyn R. Buchanan

Miles Tyler was born in Durham in 1849 and was a descendent of the Daniel Merwin who first bought the house. (We toured the house several years ago.) — My grandmother Merwin (Frances O. Barker) was also a Merwin descendent through Abigail, Miles' daughter.

I'll be in touch again soon as we are awaiting the birth of our 16th grandchild any day now.

Dear Cousin Ruth:

Many thank for you recent update on that great family of yours.

In 1969 when our children left home, we moved from a four bedroom house into a three bedroom rancher since we did not need the room and my wife, Betty, had problems with climbing stairs. In 1978, we put a small apartment on our house to accommodate our daughter who wanted to live with us but not live with us. I have since retired and she has married and moved out. However, the house suits our requirements in retirement and the apartment brings in some welcome revenue. So you see, we understand your attempts at changing your life-style in retirement. We feel that we are best off by not making changes. I have continued working - for the Miles Merwin Association and I do accounting for one client, and we find life much the same although we can take time off whenever we want to travel or goof off. We just returned from a tour of Italy. Had a great time.

Enclosed is a rewrite of your entry which, I believe, corrects all my typos and adds in all the needed changes. Please keep me informed of any new developments as they occur. Enclosed are forms Chris and Ellen can use to be reinstated.

Hope to see you at the reunion in three weeks.

Dear Cousin Ruth:

As you know, we are preparing Volume III of The Merwin Family in North America.

Enclosed is your family entry as we now have it. Would you please give me any needed correction or addition? I need your help with a coupole of your children. I wrote Christopher on 26 April 1988 and on 28 February 1989 asking him to join and give me an update on his family. To date, I have had no reply.

I wrote Mary Ellen on the same dates and she did call me on the phone asking how to join the Association. I wrote giving her the information on 4 March 1989, but have had no reply.

Your other married children are members and have given me the data shown in the enclosure.

You have a great family. I envy you.

I will see that Chris + Ellen join or re-join. I don't think I paid my own dues yet but I find no notice.— I must have paid! I will check on this also— All my desk stuff is still down at the other house.

A year and a half ago we moved out of our big house into a small, beautiful 2 bedroom house Bill built on this same property. Last week we moved back into our big house. We couldn't stand the confined feeling and lack of space to keep all our junk, After we got it settled — the small house was just kind of boring — this big place is never really under control and certainly not boring. Bill Jr, Celine, Ellen + Christopher and families were here for Memorial Day. Also Anne (our foster daughter) + her husband + Rosemary and a young couple who are friends of Chris, and Cathy — a friend or near-sister of Celine's + George's. It seemed like old times.

Things in parenthesis are just tidbits of information not necessarily for inclusion in the official geneology.

(Ellen's daughter Laura Ruth is the one I wrote to you about last year. We had our miracle in that she does not have the Leukodystophy which was the first diagnosis. She is still undiagnosed but her present physician feels it is an auto-immune reaction to some type of insect bite which has affected the nerves of the brain. She is at present improved from near-total paralysis last fall, to being able to walk with leg braces + a walker. (Her condition would be called multiple-sclerosis except that children her age don't have that.) The doctor feels that as long as she doesn't get bitten again, by whatever it was, she probably will improve further.)

(RoseMary hopes + plans to settle in Wyoming, near Kathleen, when she gets out of the Air Force.)

RoseMary — After 1 year at Maallaien attended Albany Business College in Albany N.Y. for one year. Enlisted in U.S. Air Force in 1986 Presently is stationed at Hanscom A.F.B. near BOSTON — Also works

Dear Ruth:

The publisher of THE MERWIN FAMILY IN NORTH AMERICA recently returned the original manuscript and the photographs which were used to print Volume II.

Returned herewith are the photographs which you submitted for use in the book. Although all possible care was taken, I am sorry to say a couple of them were somewhat damaged.

Not all pictures submitted were used in the book mainly because there was a space limitation. If one or more of yours were not used, please accept my apologies.

Your kindness and generosity in offering your family pictures is much appreciated and they contributed significantly to the attractiveness and character of the book.

INDIAN LAKE
N.Y.

Also, Our son James Alan, born Jan 2, 1956, was killed in an accident at Fort Story, Virginia, March 23, 1975 -----While on active duty in the U.S. Army. (We have had 3 sons and 1 daughter serve in the Armed Forces to date.)

My mother is alive and well and living in Indian Lake, N.Y. (My father died in 1958) She still works as a Nurse-receptionist- X-Ray technician-"Girl Friday," at a doctor"s office in Indian Lake, several days a week. In addition she is a member of the Volunteer Ambulance Corps, on call as driver one night a week. She also operates and owns a mobile home park, and rental cottages. In between her other activities she takes care of my (half) sister, Marjorie Merwin, who is an invalid. My mother travels extensively, having visited Hawaii, California, Florida and points in between in recent years. (My

brother works for an Airline so she is able to fly free.)
She has had a most interesting life. She was bornin Canada while my grandfather was working at a lumber camp. She was one of five children raised in a log cabin, mostly by my grandmother, because my grandfather was away working in the woods for months at a time. My mother went "out to work" when she was 12 years old---working for her room and board in order to attend shool in town. When she was about 16 she went to work at my Grandfather Merwin's Hotel in Blue Mt Lake. She was engaged to care for my father's two children when his first wife died, and married him 2 years later. Their lives together sound like something out of a book; from living through the depression, farming, running a hotel and a sawmill, etc., etc.. A wonderful woman and mother. She was a liberated woman years before it was fashionable, an equal partner in all my father's ventures, sharing the responsibilities and headaches as well as the rewards.

Sorry to get carried away. Her address is

> Incidentaly---- Bill has worked hard for the same company since 1952, in order to raise our large family. We own a large old house on Loon Lake, near Chestertown in Warren County. Dear Merwyn —

I told Ben Merwin when he sent me a copy Of his book that I would make a "suitable" donation to the "cause". I finally have my Antique Shop open for the summer so can afford to send this $25 now. I hope to be able to afford more at the end of the summer.

It was nice to meet you all at the Reunion.

We came home through Durham and actually enjoyed that area more than Milford. There are several Merwin houses there, restored etc. Also found Daniel Merwin's gravestone & several family members.

I have recently received Diaries and papers of my grandmother covering years 1876 to 1938 - most interesting. One of the newspaper clippings is concerned with the Merwin

family reunion in Durham in August 1963. There in it states that the 1st Miles' first wife was named Isabella Jaynes. Is this the name we have? The second, was named Elizebeth Baldwin, and third Sarah Platt Beach. If this anything new I will send a photocopy of the article.

Sincerely

Ruth M. Aiken

Dear Ruth:

What a wonderful family! I envy you.

Enclosed is a draft of your family entry made from the information you supplied.

Please send me the current addresses of your married children. I'll write them about the spouse's information and invite them to join our association. They must be members to show their spouses in the supplement as you probably know.

I would also like to include a brief biography of you and your husband if you will write one for me. Is your mother living. May I have her address?

Best regards,

Merwyn

P.S. I don't know whether there will be pictures in the supplement or not. If so, all members will be asked to submit photos. Please don't send them to me now. Don't want to mis-lay such things. MRB

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of *The Merwin Family in North America*.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review theenclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Dear Cousin Lois;

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Dear Lois:

I received the letter which is copied above, together with the partially completed sheets which are being prepared for the forthcoming supplement to the family geneology "The Merwin Family in North America", which was published in 1978.

As you probably are aware, the published book carried the geneology only through the 10th generation complete, showing us of the 11th generation only as to births. I presume the supplement will carry all the available information on the family complete up to the present.

Merwyn Buchanan sent me all the sheets for our generation. As each person obviously is better able to furnish the information pertaining to himself or herself and descendants than am I, I have separated the sheets and am enclosing the one headed with your name.

If you will fill out the requested information on yourself, your children and grandchildren (if any), and mail it back to Merwyn Buchanan, it will help this publication along successfully, I'm sure.

Sincerely

Raymond
George Raymond Wells

P.S. the enclosed partial sheet is a copy of your family branch entry in "the Merwin Family in North America", as published in 1978.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Dear Jean:

Thank you for your letter of 23 May 1989. Yes, the toughest part of my job is locating people after a lapse of more than six years. That is the reason I try to get the addresses of as many people in each family as possible. Would you please give me David's address and that of any other of your children who live away from your home?

I am able to keep track of Merwins who are members of our Association. When they move, sending *Milestones* three times a year catches the new address before a person's forwarding address order expires. I hope you will consider reinstating your membership.

Unfortunately, the only way I have of advertising David's performance at the Adirondack Museum is by means of a note in *Milestones*. This year our reunion will be held in July instead of June and *Milestones* will not be published until late in August. If you give me advance notice of a future performance, I would be pleased to tell the Merwins.

Best regards,

Merwyn R. Buchanan

Dear Mr. Buchanan,

With our mobile population you have set out on a monumental task of updating every Merwin's location. We commend you.

A bit of coincidental news that might be of interest at the Reunion. David is scheduled to give a performance, exact date unknown to me, at the Adirondack Museum in July or August. An enjoyable performance is in store for those who are able to attend.

If you are interested in presenting this to the Merwin gathering I will be glad to send you the details.

Best regards,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their spouse and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please review theenclosed entry and give me any needed correction or addition. I would appreciate a reply to this letter even though you may have no change to make so I may close your file.

Best regards,

Dear Cousin,

As requested by Mr. Buchanan, the records show that your dues were last paid November 22, 1982 when a check covering four years was received. This was applied to three years in arrears plus the year which ended May 31, 1983. We very much hope that you will reinstate your membership. A check payable to the association for $10 would cover last year and the current year to end May 31, 1985.

Dear Cousin:

Thank you for your letter of November 2nd enclosing the newspaper clipping about the honors bestowed upon your son David. He must, indeed, be an accomplished musician.

Unfortunately, I am unable to include an article about David in Milestones since neither you nor he is a member of the Association. As I am sure you realize, Milestones is a news letter for and about members of our Association. As I understand it, you have allowed your membership to lapse.

By copy of this letter, I am asking Gaius whether his records show that you are a member in good standing and he perhaps had not let me know. Hope you will rejoin us so we can again send you Milestones and include the article about David.

This article seemed more timely now that David is now in New York City, closer to his "roots".

To update his activities - he is now at New York University studying and teaching. He is scheduled for a recital at West Tisbury Church, Martha's Vineyard December 9th; and at Grace Church, New York City, date unknown.

You are welcome to use this information in Milestones if you feel it appropriate.

Seattle guitarist wins Segovia fellowship

David Burgess, a Seattle guitarist who teaches at both Cornish Institute and the University of Washington, bested a field of international contenders in New York last weekend to win the Andres Segovia Fellowship.

An internationally renowned panel of judges, including Segovia, Yehudi Menuhin and Alicia de Larrocha, heard the contending guitarists in three rounds of competition.

The fellowship provides funds for advanced guitar studies and is awarded under auspices of New York University. Burgess said he will move to New York this fall.

Burgess wins fellowship in New York

David Burgess, the son of Mr. and Mrs. Kenneth Burgess of Payson, was the winner of the Segovia Fellowship Grant competition on April 13, at Grace Church, New York City.

Some 50 applicants from the United States, Europe, and Latin America entered the competition.

An internationally renowned panel of judges including Andre Segovia, the world's foremost classical guitarist; Yehudi Menhuin, a child violin prodigy and world famous orchestral conducter; and Alicia de Larrocha, world famous pianist from Spain.

The fellowship was created by Loewe International, the Spanish Luxury Leather Goods firm, in honor of Segovia's 90th birthday.

The fellowship includes a year's residence in New York, a stipend of $8,000, and full tuition for an individually designed program of study at New York University.

Burgess teaches at the University of Washington and Cornish Institute of Fine Arts in Seattle, Washington.

He studied guitar in Mexico City, and Siena, Italy; and has participated in the master classes of Oscar Ghilia, who owns a school of classical guitar in Siena, Italy; John Williams, the foremost classical guitarist of England; and Christopher Parkening, an American classical guitarist who has toured the world.

Dear Jean:

Your letter of October 3rd was most welcome. Not only will the biography of Louis Tunis Merwin be in the *Supplement*, but we will have an article in *Milestones*. We have been trying to learn the origin of the name Lake Merwin (featured in Feb 1981 *Milestones* in connection with the eruption of Mt Saint Helenes). Am I right, that that same lake was named for L. T. Merwin?

I checked my file for your card to change your address and was surprised to find you have allowed your membership in the assn. to lapse for non-payment of dues. I intend to credit the Merwin Lake article in the next issue of *Milestones* to you, but you won't receive it. You seem interested in our work. I hope you reconsider and reinstate your membership. Gaius Merwin can tell you what would be involved.

Best regards,

Merwyn

Dear Cousin:

Many thanks for your family record sheet. and revisions for MFNA.

I'm enclosing four record sheets in blank. If your married children wish to include their wives, ask them to complete and return their form to me together with a check for $2.00 annual dues. They must be members to be included since they were not born Merwins.

Yes, we are much interested in including items such as Merwin Dam and Merwin Lake in the supplement. I take from your letter you will be returning to Washington. I would appreciate any information about Louis Tunis you can develop. We know nothing of him except what is shown in MFNA.

I would like to have a brief biography of you and your husband. Schools, degrees, occupations, civic + church activities, etc.

Dear Mr. Buchanan,

No doubt someone has made this possible connection by now; but I mention it in case it has been overlooked

I was facinated by the fact that there is a Merwin Dam and Lake in western Washington on the Lewis River. I wrote to Portland General Electric and asked about it. They sent me a copy of their published history of the company. L. T. Merwin was president of Northwest Electric which, as an engineer, he developed. Portland G. E. took it over and he became an officer in the Portland company. He was referred to in the history as L. T. Questioning of officials gave me the name Louis T.

Is this the Louis Tunis in our geneology? What interested me more was our geneology said, "he married Mabel Dunbar." Louis T. of Portland was on the olympic walking team, and outstanding academically and athletically at the University of California. Are these two men the same person?

Our winter occupation of house building here in Arizona prevents me from inquiring further. If it is the same person we hope he receives his full credit in our geneology.

I have made some corrections and additions to my Father's, thank you for noting them.

Yours truly,

Jean M. Burgess

Many thanks for your recent letter containing a check for dues. I do not know how your account stands, but I have passed your check and letter on to Gaius Merwin our treasurer.

Enclosed is a draft of your family entry as it now stands. Will you please give me any needed correction or addition so it will be up-to-date for Volume III of The Merwin Family in North America? Be sure to give me any change in your or Gary's biography.

Would you please give me Virginia's current address? I wrote to your mother thinking Virginia was living with her, but I got no reply from either of them.

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

Dear Mr. Buchanan,

Replying to your question as to whether Robert and I ever got down your way, I must answer that my daughter, Marjorie Menin Hutton, and I probably were in the vicinity of Blue Bell when we toured the Amish country early in May.

Marjorie, living in Calif. for nearly eight years, had never been in the Lancaster area. So when she was home for her Dad's funeral, we visited an Amish farm, saw the Cloisters at Ephrata and bought the best shoofly pie in Bird-in-Hand.

I don't know when I'll

be in the vicinity again, but
I appreciate your kind invitation
to drop by.

Sincerely,
Gladys Merwin
(Mrs. Robert R. —)

P.S. Marjorie's baby doctor
would spell our name
Merwyn.
He was English.

Dear John:

It was a pleasure to receive your New Year Letter dated 26 December 1995. I am always interested in the doings of people especially my cousins.

One thing in particular caught my eye. I am currently reading *Thomas Hooker 1586-1647 Father of American Democracy,* 1995 by Deryck Collingwood a book my wife gave me for Christmas. In your letter, you mentioned that your 8th great grandfather was Thomas Dudley. In *Thomas Hooker*, I read that when Hooker and his family emigrated to America in 1633, They stayed in Newtown (now Cambridge), MA with Thomas Dudley who had built a large house there until their house was built. Thomas Hooker was my ancestor. Accordingly, our ancestors were friends. It is a small world to quote a cliché.

Your Santa Claus, North Pole work must satisfy a need of children You are to be congratulated for your efforts.

Good luck with your article in *The Psychic Reader.*

Your sister Peggy (Mrs. Jerome Missel) was a member of our Association back in 1983. You mentioned her son, Sam. We have no record of him. Will you please give me her current address so I may write her and bring her family up to date in my records?

Our Christmas was not traditional. Our son and his family including our only grandchild went to Florida over the holidays. We had dinner with our daughter and her husband at a niece's house in New Jersey. Had a nice time, but we missed our granddaughter.

Guess you have heard that the Philadelphia area had 30.7" of snow on Monday and Tuesday of this week. We have hibernated. My doctor forbids me to shovel snow or be out in -10 degree weather. Fortunately, our apartment tenant and next door neighbors who share our drive dug us out. This was an all time record snowfall and more is scheduled for Friday and Saturday. There has been a $300 fine for any but emergency travel in effect for Southeastern Pennsylvania, but it was lifted at 6 am this morning.

I finished the manuscript of *The Ancestry of Miles Merwin and Elizabeth (Powell) Merwin*, and will take it to be printed now that the roads are clear. I am certain you and other members will find it of considerable interest.

All the best for 1996

I hope the New Year finds you well. I always look forward to my **Milestones**, and greatly value my Merwin Association friendships. Merry Christmas and all best wishes for 1996

Happy New Year. Has another year whizzed past already? I can't believe I'm already writing the annual New Year's Letter. I hope you had a good 1995.

December is the month I work on a favorite volunteer project. When children send letters addressed to "Santa Claus, North Pole" the U. S. Postal Service directs the mail to a Committee of us who write replies to all the kids. This year the childrens' lettters I received were extremely touching and they all get lengthy personal replies. It's an enormous amount to work but fun being the spirit of Santa Claus for them.

It was quite a year in the travel business. I'm still a Director of Deja Vu Tours, a specialty travel company that creates trips to spiritual sites -- Inca ruins at Machu Picchu, swimming with wild dolphins in the Bahamas, Tibetan Buddhist monasteries in the Himalayas.

This year I wanted to do more writing and early next year I'm getting a newspaper column. It will be in *The Psychic Reader*, a monthly devoted to evolving contemporary culture. The readership is 210,000, mostly in northern California. The column will be on travel (yeah, big surprise), although I'll broaden the focus over time. The launch issue is February. My editor reminded me of a Robert Benchly story when he wrote for The New Yorker. He always telegraphed his editor with lame excuses for missed deadlines. He sent one from Venice "Unable to meet deadline. Streets filled with water. Please advise".

My sister Peggy was also in print this year, publishing a book on the use of creative visualization as an aid to post-operative healing. Peggy and her son Sam still live in Cambridge where she teaches stress reduction, and has a faculty appointment at Harvard. Peggy got her Doctorate there and is extending the line of Harvard grads (father, grandfather, et al) that goes back to an 8 times great grandfather, Thomas Dudley, who was one of the founders of the College in the 17th Century.

Rock climbing in Yosemite is still a sometimes passion, and when I can't get to Yosemite I've been using a new rock climbing gym with a three story class 5.9 wall.

Oh yes. No more beard. In case we haven't seen each other in the last few years, no beard. A friend talked me into shaving it off before a trip to the Philippines. Why does everybody think this is such a big event? Who knows? Anyway, no beard.

In July I was invited to join group that meets monthly in the tradition of the literary *salon* of late eighteenth century France. Every month a member presents a research project or a book they're working on. The focus isn't literary and the group (which doesn't have a name) deals mostly with sound, resonance and healing. One month was a physicist on cell membrane resonnance. Another person composed a new musical scale based on the human DNA molocule. I was riding along happily with this until I realised I'd have to present my own evening and decided it will probably be on my experiences with the Kung Bushmen of the Kalahari Desert who make astonishing adaptive uses of sound.

I had my forty-seventh birthday in August with a couple of lively parties. This year I've been hearing from into old friends and roommies I hadn't heard from twenty years or more, from Salisbury, Penn, etc.

Christmas was very trad this year. A *Messiah* sing, The Christmas Oratorio, midnight service, Christmas Day dinner with friends in Marin.

I hope you are well, and all best wishes for '96.

Cheers!

John

Dear Cousin Merwyn,

I was delighted to open my mail and learn that the Supplement is so far along. I'm really looking forward to it's publication.

Enclosed are some photographs which you may use it is appropriate. The writing on the reverse is my Grandmother's, Margaret Merwin Friar. I'm sure she would have been delighted to know that the photographs might be seen and shared with other Merwins. The one of Miles Merwin, Jr. was taken when he was quite old. He was, of course my gt gt gt gd father and served in the War of 1812 when he was a boy. I don't have MFNA in front of me but I believe he died at 84 and he certainly looks it in the photograph. There are photographs of four of his daughters. I found no photograph of ~~my~~ his son Miles Talcot who Peggy and I come down from. Isn't that curious? There are photos of Walter Lee Merwin's wife Maria Moore which are the most handsome of the bunch but as she'e not a Merwin I don't include them, but of course you can have them if they would be of any use.

I understand you will return the photographs when the Suplement is completed.

You have my good wishes for the happy result of your work on the Supplement.

Most Sincerely,

John

Dear John:

The publisher of THE MERWIN FAMILY IN NORTH AMERICA recently returned the original manuscript and the photographs which were used to print Volume II.

Returned herewith are the photographs which you submitted for use in the book. Although all possible care was taken, I am sorry to say a couple of them were somewhat damaged.

Not all pictures submitted were used in the book mainly because there was a space limitation. If one or more of yours were not used, please accept my apologies.

Your kindness and generosity in offering your family pictures is much appreciated and they contributed significantly to the attractiveness and character of the book.

Best regards,

(4039,a.)

Cousin Gaius,
Enclosed is a check for my Association dues for two years. I gave my sister Peggy a membership for Christmas a couple of years ago to try to get her interested but I don't believe she's been bitten by the family geneology bug.

I was very pleased to receive my copy of MFNA Vol.II when it came out some time ago. It represents an important bit of research and from conversations with Merwyn Buchanan I know the amount of work he did on it was considerable. I hope it goes into libraries as I know other Connecticut families will wish to refer to it. One of the strong points of Vol. I was the reproductions in it-- particularly ones such as the survey "Merwens Farme" of our ancestor's property in 1713. I was glad to see this type of thing expanded to a section at the end of Vol. II. This sort of thing is very useful and acts as leavening to the text. I was also pleased that the book could make use of six of my family photographs. I know my Grandmother would be pleased that some of her old Merwin photographs were being shared with her cousins.

I also wish to tardily acknowledge receipt of the Association's letter somewhat before the time of the printing of Vol.II. This was in connection with a budget shortfall regarding the advance costs of printing Vol. II. As it happened I was on holiday at the time and when I returned the press date had already passed.

Although it reached my attention too late for a timely response I was glad to have been considered in this. I have done some development work for the San Francisco Conservatory of Music and the San Francisco Ballet and reflecting on the Association's letter I have one or two thoughts which might be useful toward building an endowment fund which can be useful as a cushion in the case of such shortfalls. Since this is nothing immediate I'll put these thoughts together at a later date.

I was pleased to receive the membership booklet and note with interest your mention in your letter of January 20th the plan to seek information about the British roots of Miles the first.

I look forward to this project and I think you'll agree that it's wise always to have the next project on the drawing board as the current project is completed as this sense of challange, movement and adventure keeps the organization alive and vital.

I will close now with my best wishes and look forward to meeting you at a reunion.

Dear Cousin Merwyn,

I've shown Vol. II to some friends who are professional genealogists and all were impressed with the depth of detail + variety of contributions. It is a handsome companion to Vol I. thank you for your generous donation of your time in Ohio.

Best Wishes - John
